BACKLINE

We can provide our own backline, as specified below. Sharing or using others' equipment is also cool, but needs to be decided ahead of the concert date.

DRUMS

Gretch USA Custom kit w/Ludwig Copperphonic snare
 - 26" kick drum, 14" snare, 12" rack tom, 16" floor tom
 - 14" hi-hat, 21" crash/ride, 19" crash, 18" crash
 - DW 5000 single kick pedal & Pearl hardware

BASS

- Darkglass Electronics Microtubes 900 amp
 - Orange 1x15 cab

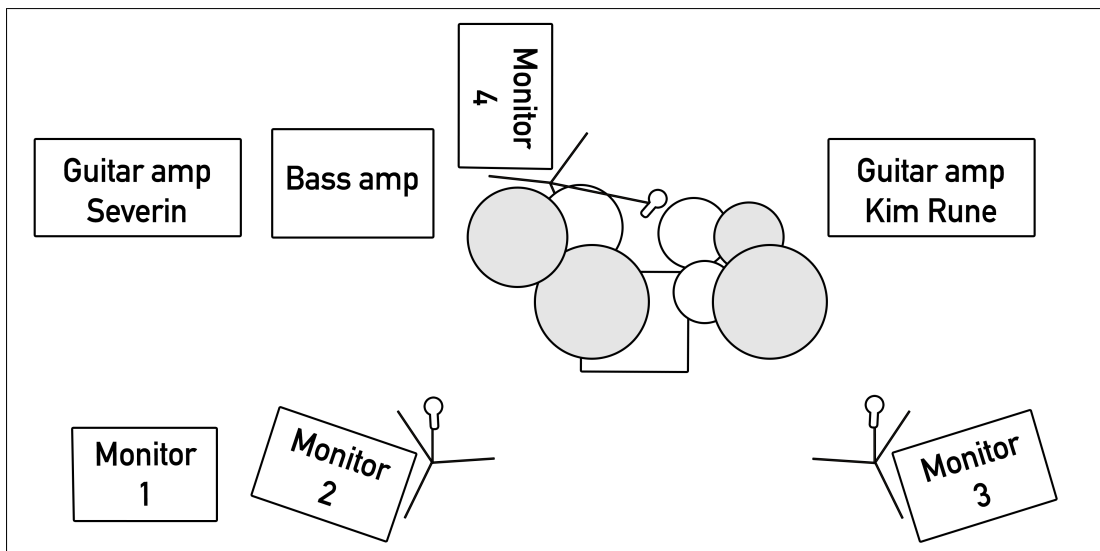

GUITARS

- 2x Fractal Audio FM3 Amp Modeler (pedal board)
 - 2x Matrix GT1000FX Power Amp
 - 2x Marshall 4x12 cab

MONITORS

We require one monitor wedge each (4 total), on separate auxes.

STAGE PLOT

We are open to changes when this preferred set-up is impractical.

BACKDROP

We're bringing a 2x3m backdrop which we'd like to attach with multistraps on the stage's rear wall.

HOSPITALITY

A couple of sixpacks of beers and a warm meal is greatly appreciated.

CONTACT INFO

If meeting any of the aforementioned requirements is problematic, please contact us ahead of the concert date, so we can work out the best possible solutions.

If anything is unclear or if you have questions, don't hesitate to call or drop us an email!
